I just learned from Greg that this is what they are thinking:

9:45- 10:30 am Meeting with Peri, Leo and Dave with EPA

10:45-12:30pm Rest of locals

If we want to meet with others (tribe and YCAG) we could do that in the afternoon. We can schedule those ourselves.

Sounds like Greg isn't going to be part of those meeting as they are trying to keep it low key. I still think it would be useful for Harry or I to be there but if we want to keep it high level, Jared and Enrique would be equivalent to NDEP's plans. As I mentioned, both Harry and I are scheduled to be in NY at the National meeting. Harry had already volunteer to stay to help out

with logistics/prep instead of going to NY. I think it is important for me to attend the overall Federal Facilities meeting, specially the portions with DOD but if you prefer that I travel to NV, I can do that. More to come. ...ah
